COVID-19 (CORONAVIRUS) UPDATE

Dear Students & Parents -

With employers, schools and other institutions across the country electing to remain closed, SmithGroup is implementing new guidelines for how we conduct business. Starting March 17 through April 10, SmithGroup is encouraging employees to work from home.

To better protect the health and well-being of our staff and the students and parents who participate in the SmithGroup Exploring Post program, we have decided to cancel the remaining Exploring Post workshops (March 19, March 23, and March 31).

We are hopeful that we may still be able to host the annual Award Ceremony and construction tour sometime in May, but we will wait to announce a date for that event and continue to evaluate the situation.

We will continue to provide updates as they emerge. Thank you for your patience and understanding. We sincerely hope to see everyone healthy and happy very soon!

Sincerely,

ABI ARAGON & BRITTANY EWING
