

SMITHGROUP EXPLORING POST

Summer 2021
Workshop Schedule

500 GRISWOLD STREET, SUITE 1700
DETROIT, MICHIGAN 48226

SUMMER WORKSHOP | SITE TOUR

Exploring Post will host a summer session this year to give students a hands-on experience to close out a virtual year of workshops!

Students who sign up will be able to more deeply understand some of the topics we discussed in the virtual Fall & Spring sessions by joining experienced architects and engineers on site tours of two large SmithGroup projects; the SmithGroup Detroit office and the nearby Detroit Riverfront.

SmithGroup will provide lunch for students while they get a chance to connect with our current SmithGroup Detroit interns in our newly renovated office space. After lunch, students will have a chance to interact closely with the interns via Q&A and discussion to get the inside scoop on what it's like to work at SmithGroup in their fields of study while they attend college.

If you are interested in attending this summer workshop, please reach out via email to Abi Aragon at abi.aragon@smithgroup.com or Bryan Seef at bryan.seef@smithgroup.com to register before **July 21, 2021**.

Please include the following information in your registration email:

NAME

SCHOOL & CURRENT GRADE

ANY DIETARY RESTRICTIONS

We will do our best to accommodate your requests and let you know ahead of time!

We will share additional logistics and information with registered students by July 22.

Thank you for your interest!
